ABOUT US

Learn With Triffid is the education hand of Triffid Marketing, a premier full-suite marketing agency headquartered in India, extending its reach to clients from over 10 countries. With a remarkable combined experience of over 30 years, we take great pride in imparting our invaluable knowledge to as many aspiring marketers as possible.

At Learn With Triffid, our vision is to bridge the gap in the industry and equip candidates with the practical knowledge of digital marketing that is often missing in traditional educational settings. We understand that in today's fast-paced world, digital marketing is the driving force behind business success. Therefore, our aim is to provide comprehensive digital marketing courses that cater to freelancers, business owners, students, and employees alike. We want to empower individuals to master all facets of digital marketing and apply them effectively in their careers to achieve exceptional results.

What sets us apart is that we aren't just educators; we are practitioners of digital marketing ourselves. As an established marketing agency, we live and breathe digital marketing daily. Rest assured, the strategies and techniques we teach are tried, tested, and proven to yield tangible results.

Let us be your stepping stone to a rewarding and fulfilling digital marketing journey. Together, let's shape a brighter future for your career and aspirations.

COURSE
HIGHLIGHTS

- **Small Batch Size For Personalized Attention**

We believe in quality over quantity. To ensure a truly enriching learning experience, we limit the batch size. This allows our expert instructors to provide personalized attention and guidance, nurturing your skills to their fullest potential.

- **Learn From Industry Leaders**

Our courses are taught by seasoned industry leaders who have made significant impacts in the digital marketing landscape. You'll have the privilege of learning from the best, gaining insider knowledge and real-world insights that can't be found in textbooks.

- **Practical Implementation Of Learnings**

Theory alone won't suffice in the competitive world of digital marketing. That's why we emphasize practical implementation. Once you have learned, you'll work on real-life projects and campaigns, honing your skills and building a strong portfolio.

- **1-1 Mentoring Sessions**

We value your growth and progress. To cater to your individual learning needs, we offer 1-on-1 mentoring sessions with our instructors. These personalized interactions provide valuable feedback, guidance, and support throughout your learning journey.

- **Study At A Marketing Agency**

Experience the unique advantage of studying at a marketing agency – Triffid Marketing. Immerse yourself in a professional work environment, surrounded by industry experts, and get a taste of what it's like to work on live marketing campaigns.

- **Global Placement Assistance**

Our commitment to your success extends beyond the classroom. Benefit from our global placement assistance, where we help you to connect with potential employers and opportunities worldwide, increasing your chances of landing your dream job or projects.
